Explanations for each of the editable fields is as follows:

- **Add a primary contact person**

Primary contact person *

Select

The individual selected as the primary contact person will have their details attached to this Placement request. Should anyone need to contact your organisation about this Placement request, they will be able to contact the primary contact directly.

- **Start date requested**

Start date *

29-09-2024

This will be pre-populated with the same date as the original request. You can edit this to be any date from the day stated onwards (inclusive of that date). You will not be able to enter a date before the start date or after the end date.

- **End date requested**

End date *

31-10-2024

This will also be pre-populated with the same end date as that in the request. While you can edit it, the business rules you must follow are:

- Cannot end before the start date
 - cannot be the same day, must be more than one day
 - Cannot be after the end date of the placement offer period

Placement request

Enter a number between 0-1000 for number of placements requested,

Undergraduate

Number of Undergraduate Year 2 placements required

Days on placement requested per student (Undergraduate Year 2) *

This will be pre-populated with information from the existing placement request. In this instance, there are 3 spaces for year 2 undergraduate students and 10 days on placement required for each student.

While these number can be increased, they cannot exceed the number offered in the original placement offer.

If you do exceed this number, you will get the following error message and will need to reduce the numbers requested to match

❗ The form could not be submitted for the following reasons:

- Total number of students requested can't exceed the number of the total capacity of the placement offer period

- If you are finished, click **Submit**

Glossary of Terms

Definition of key terms used in this how-to guide:

Key terms	Definitions
Approve with modifications	<p>Health Providers can modify the dates and number of students they can accept from a 'placement request' that was made on their 'placement offer detail'.</p> <p>Once published, Education Providers can view the changes by viewing their placement requests (under liaise and match).</p>
Decline	<p>The Placement Request has been declined.</p> <p>NOTE: There is no notification that goes back to the Education Provider who made the request. It is however viewable when they go back into the system to view their requests.</p>
ID Codes	<p>EPD-000000 – Placement periods required</p> <p>EPR-000000 – Indicative requirements</p> <p>SPO-000000 – Expressions of interest</p> <p>POD-000000 – Placement offer details</p> <p>ERQ-000000 – Placement offer requests</p>
Placement offer details	<p>Placement offer details outline the period of time a placement can take place and number of students that can be accommodated.</p> <p>IMPORTANT: A placement request can only be made against placement offer details - not a placement offer on its own.</p>
Programme	<p>This is the name of the qualification that requires student placements in health settings e.g. Bachelor of Nursing</p>
Wildcard search (*)	<p>Wildcards are special characters that can stand in for unknown characters and are handy for locating records when you are not sure of the exact details</p> <p>e.g., when searching for a specific Placement request (POD-001046) but where you may only know the last 4 digits, you could search for it by writing the following - *1046.</p> <p>The star (*) symbol means it can have any combination of numbers or letters before the number 1046.</p>
